

RANI TAHOUF  
PHOTOGRAPHY

**Welcome,**

First and foremost, congratulations and thank you for your interest in Rani Tahouf Photography. We're excited to have you.

The task in front of you is not an easy one. Selecting an artist to tell your story is probably one of the most important decisions you'd have to make over the following months, and one that will be with you for the rest of your life.

Sure, where your friends and family are sitting at your wedding and the colour theme on the day are important decisions too, but none of these carry the long term implications of your imagery.

Our goal is to tell your story in the most compelling way possible.

We treat every event with the care and trust that it deserves. What could be more important than giving you beautiful images that will provide enjoyment for many years, and generations to come?

The result will be the creation of your first family heirloom. Talk about pressure.

The responsibility of documenting your day is one we take very seriously. Enclosed you will find detailed information about our products and packages.
